

TOP 10 REASONS

to attend the 2017 Government IT Symposium

"I would say that the most valuable part was that what I attended will strongly help me as an individual both professionally and personally. Great take aways, great materials."

- 2016 Symposium Attendee

DECEMBER 5 - 7, 2017

- 1 Excellent value for the level of education.** As a Symposium attendee, you will have access to 16 hours of educational and keynote sessions, 16 hours of innovation center and vendor access, and up to 7 hours of colleague networking – all for a fraction of the cost of similar industry conferences.
- 2 Immediate return on investment.** Take back to work the latest insights and how-to knowledge, plus have access to shareable conference session documentation available at the conference, on the conference website and mobile app.
- 3 Content aligned to your job role.** Whatever your role, the IT Symposium has 5 subject-specific tracks focused content and takeaways tailored to your role and priorities.
- 4 Tap into cross-sector expertise in one place at one time.** Get the latest research, models and insights from a number of content experts from the public, civic and private sectors.
- 5 Be inspired by and be ready for innovation.** The 2017 Symposium will feature demonstrations and discussions of cutting edge and products and initiatives that can support our collective goal of improving services and outcomes.
- 6 Engage in forward-thinking conversations and content.** This year's Symposium will focus on IT innovations, collaboration, services, technologies, and security.
- 7 Leverage others' experiences.** This year we are introducing the Golden GOVIT Awards, which recognize individuals, government agencies and other public sector institutions that have advanced government technology through collaboration, innovation and service. View and hear from winners of the Golden GOVIT Award nominees at the event.
- 8 Efficient vendor access.** Access a broad range of top private sector business partners through a dedicated exhibit hall staffed with knowledgeable experts, hands-on vendor demos, and numerous vendor solution workshop sessions.
- 9 Everyone in your organization can benefit.** With discounted group registration rates and access to web-based information, the Symposium will deliver value long after the event.
- 10 Get out of the office and get inspired.** Getting out of the office lets you focus on tough problems and possible solutions in the most efficient way possible: fully immersed in an expertise-rich, innovative-driven, how-to environment.

"There is something for everyone. There are so many tracks and great sessions, that this is my favorite conference to attend each year."

- Returning Attendee

"The sessions were informative and interesting. All the sessions I attended gave me something to take back to the office."
