

RCLLG 2008

Legislative Update

Thursday, May 29 – 7:00-8:45 p.m.
Maplewood City Hall
1830 E County Road B

This meeting offers a unique opportunity to hear from a panel—representing schools, the county and cities—who will provide an update on what happened (or didn't happen) at the Legislature this year. You may have been to a briefing in any one of these areas—but you probably haven't had the opportunity to hear from all three at the same time.

Here's your chance to be part of a discussion that involves three primary areas of local government – cities, schools and the county. Learn how developments will impact the different local governments, with a particular focus on those items that cross jurisdictional boundaries.
