General Interest Meetings

Dear RCLLG Members,

On behalf of Ramsey County League of Local Governments (RCLLG), I welcome you to another promising year. Whether you are new to RCLLG, or a returning member, it is our goal to continually provide you with experiences that bring value to you and the jurisdictions that you represent.

The mission of RCLLG is to foster cooperation among our units of government thereby increasing the effectiveness and efficiency of public service delivery. We achieve that by:

- Building relationships
- Learning from each other
- Collaboration
- Educational and informative speakers and seminars

Quality communication between all units of government in Ramsey County is more important than ever as we face unprecedented budget and programming challenges. Hopefully your experience with RCLLG helps you as we navigate these uncharted waters together.

Don't hesitate to contact me with ideas, thoughts or suggestions on how we can make RCLLG better, or better yet, join us at our board meetings. I look forward to seeing you at our meetings!

Warm regards,

Lisa Sjobeck

The Ramsey County League of Municipalities was created in 1963, empowered by Minnesota State Laws 1963, Chapter 728 for the purpose of “perpetuating and developing the League as an agency of cooperation for Ramsey County cities.” Initially, membership included 17 cities, villages and towns. In March of 1975, the Ramsey County League of Municipalities became the Ramsey County League of Local Governments and a new charter was approved which opened its membership doors to school districts and the county.

Today, RCLLG members include: 14 cities, one township, Ramsey County, the Ramsey Soil & Water Conservation District, and five school districts. For much of the RCLLG’s existence, the League of Minnesota Cities (LMC) provided staff support. In January 1996, the Association of Metropolitan Municipalities (AMM) assumed this role, and in January 2001, Government Training Services became RCLLG’s staff support.

Throughout the year, the RCLLG conducts meetings focusing on issues critical to Ramsey County. (See information posted on the web at www.mngts.org and click on the RCLLG link.)

“Our mission is to foster cooperation among Ramsey County units of government, thereby increasing the effectiveness and efficiency of public service delivery.”

The primary roles of the RCLLG are:

1. To improve communication among all Ramsey County units of government.
2. To foster and enhance cooperation among units of local government.
3. To encourage cooperation of planning and physical development activities in Ramsey County.
4. To promote the common interests of our members through research into local government problems.
5. To provide educational opportunities to our members.
6. To work closely with the Association of Metropolitan Municipalities (Metro Cities), the League of Minnesota Cities (LMC), GTS and other organizations and associations in the interests of the members.
